PREIS DER NATIONALGALERIE

The *Preis der Nationalgalerie* has been honouring young and important artistic positions in contemporary art since the year 2000. As of 2013, the *Preis der Nationalgalerie* is no longer awarded in the form of prize money. Instead the laureates are promised a solo exhibition in one of the locations of the Nationalgalerie, to be displayed in the following year. In conjunction with the solo exhibition a publication is released. Acquisition of the artist's work to the collection of the Nationalgalerie is expected to be pursued.
